

NOTICE

Outstanding Submissions

The final date for the submission of statements to the Tribunal (16 December 2024) has passed.

If, however, during the Tribunal's investigative phase, a person comes forward who was either unaware of that final date or was unable, for other stated reason(s), to deliver a submission on or before that date, the Tribunal would be prepared to consider an application for an extension of time in such a case.

In determining any such application, the Tribunal would be obliged to have regard to the stipulated time period within which it is required to endeavour to complete its work.
